

Emerging Sheep Health Issues Seminar

As part of the Modern Shepherd Course, Nova Scotia Agricultural College, AgraPoint and the Sheep Producers of Nova Scotia are pleased to present this very informative session for sheep and goat producers. This is a great opportunity to ask questions about your own flock.

Emerging Sheep Health Issues

*Dr. Paula Menzies, University of Guelph
and Dr. Jeff Wichtel from UPEI*

SATURDAY, JANUARY 28, 2012

7-9 PM
